Student Details

Student Name: Adossi Fred William	Programme Name: BSc (Hons) Software Engineering
Date of Enrollment: 05/06/2024	Programme Level: Undergraduate

Degree Programme Achievements Section

2024 May Term (ALU): 05/06/2024 - 08/16/2024

Module Code	Parent Course	Grade	Credits Attempted	Credits Earned	Result
202405RW-FOUND-8110220	Reflective Thinking	71.56	20	20	Pass
202405RW-FOUND-8110120	Learning Processes	64.10	20	20	Pass

2024 September Term (ALU): 09/02/2024 - 12/20/2024

Module Code	Parent Course	Grade	Credits Attempted	Credits Earned	Result
202409RW-SOFEN-8120120	Introduction to Linux and IT Tools	81.71	20	20	Pass
202409RW-SOFEN-8120220	Introduction to Python Programming and Databases	85.75	20	20	Pass
202409RW-FOUND-8120320	Self Leadership and Team Dynamics	61.03	20	20	Pass

2025 January Term (ALU): 01/06/2025 - 05/02/2025

Module Code	Parent Course	Grade	Credits Attempted	Credits Earned	Result
202501RW-SOFEN-8130120	Frontend Web Development	93.80	20	20	Pass
202501RW-SOFEN-8130220	Web Infrastructure	98.80	20	20	Pass
202501RW-FOUND-8210220	Responsible Enterprise	85.85	20	20	Pass

2025 May Term (ALU): 05/05/2025 - 08/22/2025

Module Code	Parent Course	Grade	Credits Attempted	Credits Earned	Result
202505RW-SOFEN-8210220	Foundations Project	89.82	20	20	Pass
202505RW-SOFEN-8210120	Enterprise Web Development	86.10	20	20	Pass
202505RW-FOUND-8130320	Communicating for Impact	72.00	20	20	Pass

2025 September Term (ALU): 09/01/2025 - 12/13/2025

Unofficial Academic Transcript

Module Code	Parent Course	Grade	Credits Attempted	Credits Earned	Result
202509RW-SOFEN-8220120	Introduction to Software Engineering	75.52	20	20	Pass
202509RW-SKILS-8130520	Enterprise Innovation Program	92.50	20	20	Pass

2026 January Term (ALU): 01/03/2026 - 04/30/2026

Module Code	Parent Course	Grade	Credits Attempted	Credits Earned	Result
202601RW-SOFEN-8230830	Mobile Application Development	83.80	30	30	Pass
202601RW-MACLE-8230130	Mathematics for Machine Learning	84.42	30	30	Pass

2026 May Term (ALU): 05/04/2026 - 08/20/2026

Module Code	Parent Course	Grade	Credits Attempted	Credits Earned	Result
202605RW-MACLE-8320530	Machine Learning Pipeline	94.26	30	30	Pass
202605RW-MACLE-8310230	Introduction to Machine Learning	80.38	30	30	Pass

Total Credits Earned	380
Total Credits Attempted	380
CGPA	4.14
Date Printed	27/08/2026

Best Regards,

Mark Odhiambo

Grading Explanation

1. An asterisk (*) indicates a grade obtained after retaking the course.
2. A pass indicates that the student scored 50% or higher in formative and summative components respectively. A student that does not meet minimum requirements will fail the course, even if the overall grade is 50% or higher.
3. CO stands for 'compensated'. It indicates the student recieved between 45% and 50% in either formative or summative component of the course, but with an overall grade of 50% or higher. CO is a passing grade.
4. The final CGPA considers the credits per course, the percentage (%) grade, and the total number of credits.
5. The table below describes ALU's CGPA calculation and how it translates into percentages.

CGPA	Cumulative Percentage
5.00	100%
4.00 - 4.99	80% - 99.99%
3.00 - 3.99	60% - 79.99%
2.00 - 2.99	40% - 59.99%
below 2.00	less than 40%

6. Audit Pass - Indicates zero credit attempted and does not add to the overall total credits attempted. The student met the academic requirements for the course.
